

128GB, 256GB, 512GB*

SanDisk Ultra® II mSATA SSD

New life for your notebook or tablet

Performance

- Better overall system performance with faster application loads and better response
- No-wait boot up and shut down
- Fast game loads and performance
- Huge storage capacity

Proven Reliability

- Shock and vibration resistant²
- SSD Dashboard reports on disk status and available updates for Windows only
- Flash memory protects your memories even if your computer fails

Comfort and Convenience

- Browse, play and work longer with up to 15% longer battery life¹
- Run cool and quiet in the office or at home

Boost performance and add capacity to your ultra-thin notebook or tablet with this compact mSATA SSD upgrade. With a SanDisk Ultra® II mSATA SSD in the slot, you'll experience faster boot up and shut down, and faster application and data transfer speeds than ever before. With capacities up to one-half terabyte, your tablet or notebook can accommodate all your photos, videos, your music collection and more. You'll boost your cool factor, too, with a solid state drive that doesn't overheat, make noise or burn through battery¹. SanDisk® mSATA SSDs are tested and proven to be shock resistant, vibration resistant and resistant to temperature extremes², so your files are protected from accident and environmental damage. Made to upgrade your Android- or Windows-based devices.

SanDisk Ultra® II mSATA SSD Specifications

Available capacities:	128GB, 256GB, 512GB*
Dimensions:	2.00 x 1.18 x 0.16 in. (50.80 x 29.97 x 4.06 mm)
Interface:	SATA Revision 3.0 (6 Gbit/s)
Operating temperature:	0°C to 70°C
Shock:	Resistant up to 1,500 G @ 0.5m/sec
Vibration (Operating/Non operating):	5 gRMS, 10 - 2000 Hz / 4.9 gRMS, 7 - 800 Hz
Endurance:	1.75M hrs MTBF
Warranty:	3 years; Limited 3-year warranty (US)
